Lab No 4 Tasks

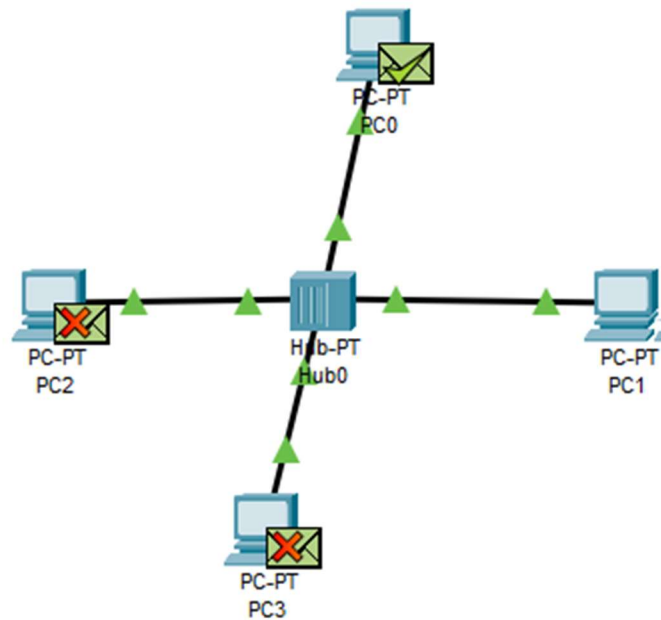

Name: Laiba Afridi

Sap Id: 39984

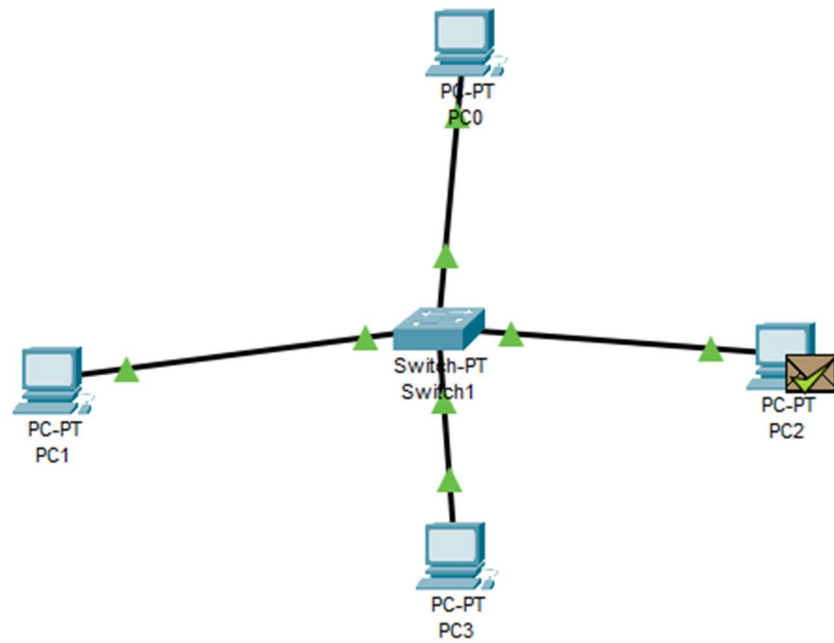

Course Instructor: Ma'am Seemab

Lab Instructor: Ma'am Hafsah Mahmood

Task 1: Connect 4 PCs with the HUB in cisco packet tracer and send data from PC 1 to PC 2 and check the working of HUB through simulation mode. (05 Marks)

Task 2: Connect 4 PCs with the SWITCH in cisco packet tracer and send data from PC 1 to PC 2 and check the working of SWITCH through simulation mode. (05 Marks)

Note: Save all the cisco packets files for reference in the next lab. Create a word document and attach screenshots of all the simulations under each task for evaluation.
